

Central Valley Farmland Trust

Committee Descriptions

Board Development Committee

Support the organization's Board Development Program which includes nomination, recruitment, orientation, training, evaluation and recognition of board members.

Budget, Finance and Risk Management Committee

Advise the Board on prudent investment strategies in managing held funds and develop fiscal and monetary policies, procedures and internal controls to help protect CVFT's financial integrity.

Executive Committee

Supervises the Executive Director, acts on HR matters, develops governance policies and procedures, and acts on behalf of the Board outside of board meetings. Membership restricted to board officers.

Fund Development and Events Committee

Oversee and review CVFT's fund development and event efforts including the membership program, sponsorship program, winery partnership program and fundraising appeals and events program.

Gift Acceptance Committee

Develop gift acceptance policies and procedures and advise the Board and staff regarding the acceptance of cash or non-cash gifts, donations or bequests.

Local Events Committee

Plan and organize events sponsored by the organization in your county. These events could include receptions, easement celebrations, fundraisers and fundraisers.

Public Relations and Education Committee

Coordinate the public relations and education efforts of the organization. These efforts include the organizational web site, *Legacy* newsletter, annual report, press releases, development of promotional materials and outreach efforts with landowners, city and county officials and the general public.

Transactions, Stewardship and Monitoring Committee

Assist CVFT in developing policies and procedures in the administration of new and ongoing acquisition projects and the stewardship and monitoring of existing easements and/ or fee lands held by the Trust.
